

PACFA REPORTING DEFINITIONS

Pet Animal Breeders (Dog, Cat, Bird, Small Mammals, Reptiles and Amphibians)

Total Number of Pet Animals on Property or at Facility:

- Total numbers of the types of pet animals that you breed on your property or at your facility during the calendar year
- This does not include any other animal you are not licensed to breed with PACFA, i.e., livestock animals such as horses, mules, llama, cattle, sheep, poultry, goats, pigs, and/or swine

Number of Pet Animals Transferred:

- Total number of pet animals “transferred” which means sell, give away, trade, barter, exchange, return, or any other conveyance of ownership of a pet animal

Number of Litters:

- Total number of groups of offspring born to each species of pet animal bred during the calendar year

Number of Euthanasias:

- Total number of pet animals euthanized in accordance with 35-80-102(7), C.R.S.

Number of Deaths Due to Disease:

- Total number of animals that died as a result of disease
